Accessing the Knowledge Hub

1. Create an account by going to <https://iuw.elevate.gocadmium.com/> and clicking on Create Account in top right corner.
2. Complete the details and select Create Account.
3. A provisional account will be setup for you that provides basic access to the site.
4. Send an email to melanie.negrin@iuw.org to upgrade access based on role and receive content customized to you.

Access level is based on your administrator-assigned role.
