SANCTUARY RENOVATION SUBCOMMITTEE

The Trustees Committee recently requested that the Nominations Committee nominate seven members representing the diversity of our congregation to serve on a temporary Sanctuary Renovation Information-Gathering Subcommittee.

The purpose of this subcommittee is to gather information, consult with historical preservation groups and renovation specialists, and help refine the scope of a potential sanctuary renovation project. Areas of study include chancel design, flooring, pew refurbishment, and interior finishes.

This subcommittee serves only in an advisory capacity to the Trustees Committee. It is not a decision-making body but will develop findings and recommendations for the Trustees' consideration.

The Administrative Council has approved the following members to serve on the subcommittee: **Desiree Celaya, Mills Herndon, Dudley Lewis, Mark Parker, Jennifer Smith, Jean Stone, and Jim Turner.**

This is the next step in the Trustees' ongoing evaluation of potential sanctuary improvements and follows the congregation-wide feedback survey completed earlier this year.
